EXPERIENCE

INTERIOR DESIGN INTERN

CannonDesign | Buffalo, New York, USA

MAY 2023 – AUGUST 2023

- Collaborated in the design and documentation of interior spaces to include execution of construction drawings, selection of finishes, developing presentation graphics including material boards and renderings, and coordinating with material vendors.
- Worked on a Higher Education S&T (Science and Technology) project as the only interior designer. Specified materials and finishes required for labs, documented all finishes, schedules, and coordinated the space planning with the project architect.
- Assisted in the design process of a large-scale mass-timber design and construction in Buffalo, New York.

INTERIOR DESIGN INTERN

Clifton Interiors | London, United Kingdom

JANUARY 2023 – MAY 2023

- Aided interior designers and architects develop FF&E presentation package and detail design for clients.
- Attended site meetings with design team to include external contractors, structural engineers, M&E consultants, etc.

ARCHITECTURAL INTERN

Studio Ponsi | Florence, Italy

MAY 2022 – JULY 2022

- Streamlined office team with model building, research, and design.
- Utilized AutoCAD, Adobe Suite Program, and SketchUp to produce realistic and professional looking visuals, as well as design developments.

GRAPHIC DESIGNER

Syracuse University, Center for Online and Digital Learning | Syracuse, New York, USA

JULY 2021 – MAY 2022

- Coordinated instructional designers and video producers in creating and manipulating digital media for e-learning content, including, among other things, 2D designs, illustrations, animations, and motion graphics.
- Worked on multiple concurrent projects while maintaining high standards of excellence and conformity to the university's graphic standards.
- Independently created appropriate digital solutions based on design documents, storyboards, and project agreements.
- Worked with staff and faculty on the creation of storyboards for online presentations and video production.

CREATIVE COMMUNICATIONS INTERN

IDEA Interactive | Seoul, South Korea

MARCH 2020 – APRIL 2021

- Worked mainly for KT (Korea Telecom) Promotion and Events team, being responsible for creating website banners, posters, and illustrations.
- Worked with Burger King, Baskin Robbins, Dunkin, and other major big corporates with creating visually appealing design elements for websites, posters, and event booths.
- Worked with a major South Korean bank, NyongHyeop Bank, creating VIP events banners and website graphics.
